

MAIN EVENTS

Varsity Basketball

At 4:30 p.m. January 31st, immediately following the opening ceremonies in front of Main Building, activities will proceed then in the SDU Alumni Gym for the Carnival Sports opener, Varsity Basketball between the Saints and visiting St. Mary's University.

Varsity Hockey

The SDU hockey squad goes against the visiting St. Mary's team in the SDU arena on Saturday 1st February at 2:30 p.m.
The Saints will be out to chalk up another victory and the fans can be sure that St. Mary's will be out on the ice to prevent just that thing happening.

Carnival Ball

The Carnival Ball will be the attraction scene of the Carnival Queen Coronation. One of the six lovely candidates will be chosen as queen of the 1964 Carnival. She will be crowned by last year's Queen, Mary Donovan. The new queen will reign throughout the remainder of the activities. A large crowd is expected to be present at this feature social event of the Carnival. Officials have obtained the Basilica Recreation Center to stage the event in order to accommodate as many couples as possible.
The ball is scheduled for 9:00 p.m. Friday, 31st January.

Variety Show

Douglas E. MacLeod has accepted to be chairman of this year's show. An interesting M. C. has been appointed, and although Doug says the competition is stiff (that other group, you know) he hopes that the show will be a success. The Variety Show is one of the major events of the Carnival and the SDU gym is expected to be filled to capacity on Saturday evening, 1st February at 8 p.m.

THE NEW CHRISTY MINSTRELS

Referred to many times as the "big Band" of folk singing, THE NEW CHRISTY MINSTRELS are currently the largest group in the folk singing field. THE NEW CHRISTY MINSTRELS took their name from Edwin P. Christy who, in 1842, formed the famous Christy Minstrels, hailed as the foremost interpreters greatly responsible for making popular the songs of Stephen Foster. The original Christys were accredited with establishing authentic "folk" music.

Every member of THE NEW CHRISTY MINSTRELS is a soloist and a distinct personality . . . and one of the reasons for the Christy's triumph is that although they are a group, they sing as individuals. One of the most exciting concert, television and

night club attractions in the country today. The New Christy Minstrels conquered new areas when they starred in "The Unsinkable Molly Brown" at Kansas City's Starlight Theatre. Incidentally, they drew capacity audiences second only to the record holder, Carol Burnett.

Their musicianship and concept insure a longevity far beyond that of the current folk cycle. With guitar, banjo, harmonica and a variety of assorted secondary instruments . . . they capture a sound on records and in person that is uniquely theirs.

The Minstrels will be appearing at the Birchwood High School Gym on Tuesday, February 4th, 1964 at 8:00 p.m.
